YOUTH GRANT

Willacy County recently was awarded a \$20,000 grant from Municipal Capital Markets Group, Inc. (MCM) to be distributed solely to youth organizations that have been in existence for at least two (2) years. The grant funds must benefit youths under 18 years of age within Willacy County.

All interested youth organizations must pick up a project digest form at the Willacy County Judge's Office located at 576 West Main Street, Raymondville, Texas 78580 during regular business hours. The project digest form will be used to summarize the proposed project and the proposed cost.

On June 18, 2009 at 10:00 a.m. the Citizens Advisory Committee will meet at the Willacy County Commissioners meeting room located at 576 West Main Street, Raymondville, Texas 78580. Each youth organization's representative will present their proposed project. Each project will be scored based on the benefit to the youths of Willacy County. The Citizens Advisory Committee will make a recommendation for funding of the proposed projects to the Willacy County Commissioners Court at the next public meeting.
