

Laguna Point Park CLRC in Willacy County hosted their first educational program at the Coastal Land Resource Center on Saturday, February 24th. Elisa Velador, Rio Grande Educator representing the East Foundation and Texas Wildlife Association, planned and coordinated the family engagement program for Trevino Elementary Birding Club sponsored by Mr. Cantu, Trevino Elementary Science Teacher.

Students and their parents participated in both indoor and outdoor activities at the CLRC followed by a visit to El Sauz for continued programming on Birding, Ranching, and Land Stewardship.
