NOTICE OF MEETING TO VOTE ON TAX RATE

A tax rate of \$_.7999 per \$100 valuation has been proposed by the governing body of Willacy County.

PROPOSED TAX RATE	\$.7999	per \$100
NO-NEW-REVENUE TAX RATE	\$.8016	per \$100
VOTER-APPROVAL TAX RATE	\$.8302	per \$100

The no-new-revenue tax rate is the tax rate for the <u>2020</u> tax year that will raise the same amount of property tax revenue for <u>Willacy County</u> from the same properties in both the <u>2019</u> tax year and the <u>2020</u> tax year.

The voter-approval rate is the highest tax rate that <u>Willacy County may</u> adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that <u>Willacy County</u> is not proposing to increase property taxes for the <u>2020</u> tax year.

A PUBLIC MEETING TO VOTE ON THE PROPOSED TAX RATE WILL BE HELD at 10:00 a.m. on Thursday, September 24, 2020 at 576 West Main Street, (Commissioners' Court Room) Raymondville, TX 78580.

The proposed tax rate is also not greater than the voter-approval tax rate. As a result, <u>Willacy County</u> is not required to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the <u>Commissioners' Court of Willacy County</u> at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

Property tax amount = (tax rate) x (taxable value of your property) / 100

(List names of all members of the governing body below, showing how each voted on the proposed tax rate or, if one or more were absent, indicating absences.)
FOR the proposal: Eduardo Gonzales, Eliberto Guerra & Aurelio Guerra, Jr.
AGAINST the proposal: none
PRESENT and not voting: none
ABSENT: Oscar De Luna. Henry De La Paz

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.

The following table compares the taxes imposed on the average residence homestead by Willacy County

last year to the taxes proposed to the be imposed on the average residence homestead by Willacy County

this year.

	2019	2020	Change
Total tax rate (per \$100 of value)	2019 adopted tax rate	2020 proposed tax rate	(Increase/Decrease) of (nominal difference between tax rate for preceding year and proposed tax rate for current year) per \$100, or (percentage difference between tax rate for preceding year and proposed tax rate for current year)%
Average homestead taxable value	2019 average taxable value of residence homestead	2020 average taxable value of residence homestead	(Increase/Decrease) of (percentage difference between average taxable value of residence homestead for preceding year and current year)%
Tax on average homestead	2019 amount of taxes on average taxable value of residence homestead	2020 amount of taxes on average taxable value of residence homestead	(Increase/Decrease) of (nominal difference between amount of taxes imposed on the average taxable value of a residence homestead in the preceding year and the amount of taxes proposed on the average taxable value of a residence homestead in the current year), or (percentage difference between taxes imposed for preceding year and taxes proposed for current year)%
Total tax levy on all properties	2019 levy	(2020 proposed rate x current total value)/100	(Increase/Decrease) of (nominal difference between preceding year levy and proposed levy for current year), or (percentage difference between preceding year levy and proposed levy for current year)%
