April 10, 2015

Dear Attorney,

To comply with a Supreme Court mandate, Willacy County has transitioned to electronic filing for all civil cases, effective today. This mandate also includes all probate, mental and guardianship cases. We will no longer be accepting paper filings.

If you need help with e-filing you can go to <https://efile.txcourts.gov/> for on-line training and set up information.

Respectfully,

A handwritten signature in cursive script that reads "Terry Flores".

Terry Flores, County Clerk
